6 bedroom(s)
270m² Area

In an idyllic beachfront setting, surrounded by soothing greenery, this superb stone villa will capture your heart.

On a vast plot of land at the southernmost tip of Andalusia, in the heart of the walled town of Tarifa in La Paloma, the property offers a main house of 270m2 and three independent annexes.

Within it, a very chic fitted kitchen opens onto a Shabby Chic living room with a heavenly view where the garden and the ocean soothe the soul with an unparalleled tenderness. Three top-of-the-range bedrooms with private bathrooms are suitable for a family life in all serenity.

In addition to this little corner of paradise, there is a first annex with two suites, a second with a large bedroom and its adjoining terrace. The last annex is entirely made of wood and offers a bedroom and a bathroom.

While all of these rooms share trendy and luxurious materials, fittings and finishes, they are also all surrounded by a palm grove, an infinity pool and a summer kitchen set up for those balmy summer evenings.
