142m² Area

In the heart of the walled town of Tarifa, at the top of the tip of Europe, lies an idyllic villa. Ideally located on the Strait of Gibraltar, this prestigious property offers much more than a Mediterranean climate or a geographical location conducive to travel.

Surrounded by a park with palm trees and other exotic vegetation, on a large plot of 4 acres, the property consists of a main house and a fully furnished annex. When you enter the traditional doors, you will discover a world of 142m2 filled with an atmosphere that is both Andalusian and modern. The modern fitted kitchen opens onto the spacious living room and the 80m2 terrace facing the sea. This jewel on the Strait of Gibraltar offers three large bedrooms and three bathrooms or shower rooms.

The 64m2 annex has two bedrooms and two bathrooms that can accommodate your guests.

Close to all amenities, the hacienda is 5 minutes from the centre, 30 minutes from Gibraltar airport and 1.5 hours from Malaga airport.
