VILLA

BRIDEL

REF. 6277

SOLD

5 bedroom(s)
560m² Area

Discover this vast architect's villa, located in Bridel, only 9 kilometers from Luxembourg city.

At the edge of the woods, in a green and quiet environment, the property offers a modern and warm concept. You will access it through a private gate with badge access in order to guarantee you an optimal discretion and security.

With a surface area of 1020 m2 gross and a living area of 560m2, spread over four levels, it has been designed to make you dream and meet all your needs.

From the entrance, open on a double height, the finishes are noble and neat: natural stone floors in light tones, walls dressed with leather, open fire. The living space of more than 115 m2 is crossing and offers an unobstructed view on the greenery which surrounds the villa thanks to the large sliding windows. The landscaped garden as well as the large terrace facing South-West will perfectly meet your expectations and are accessible from the dining room.

The kitchen of almost 50 m2 is equipped with high quality furniture and appliances. It has a back kitchen with cold room.

The elevator, connecting the 4 levels, will allow you to reach the floor composed as follows:
- an air-conditioned master suite with private terrace, bathroom and dressing room ;
- two air-conditioned bedrooms with shower room and dressing room;
- one air-conditioned bedroom with shower room;
- an open space with access to a terrace offering a view of the forest. This multifunctional space can accommodate an office, a living room, a library or a 5th bedroom with dressing room and shower room.

On the garden level, a relaxation and wellness area of nearly 150m2 awaits you with an indoor swimming pool with counter-current, a mosaic hammam, a sauna, a fitness room, a separate toilet and a shower.
