82m² Area

Located in one of Luxembourg City's most sought-after residential neighborhoods, your Unicorn real estate agency is pleased to offer for sale this unique 82-square-meter duplex apartment, fully renovated in 2015, in the heart of Rollingergrund—a quiet, green neighborhood just a stone's throw from downtown.

Nestled on the 3rd and top floor of a small, well-maintained building with just 4 apartments, the property immediately captivates with its beautiful solid wood floors spanning both levels, its loft-style spaces bathed in natural light thanks to generous skylights, and its exposed beams that lend it an authentic character.

The first level, spanning 62 m², features a bright living room with a fully equipped open kitchen finished in matte anthracite, a bedroom with a bathroom and walk-in shower, as well as a separate toilet. The second level, measuring 20 m² and accessible via an interior wooden staircase, offers an additional bedroom or office space with its own bathroom.

A locked garage, an outdoor parking space, and a shared laundry room that can be used for storage complete this property.

Rollingergrund is one of the few neighborhoods in the capital to combine a green setting, absolute tranquility, and immediate proximity to the city center, Limpertsberg, and all daily amenities.
