FOR SALE - Prestige Property - Crête

This luxurious villa, nestled in the west of Crete, offers a breathtaking view of the turquoise bay of Zeus. Totally away from prying eyes, it is dug directly into the rock in order to integrate perfectly into its soothing and natural environment. A single access to the creek is possible from the property.

Build on 3 floors, it has five bedrooms, all in front of the sea and each with its own bathroom. Each room has its own particularity: sofa-bed, custom dressing room, noble stone wall, island bath...
At the central level is a fully equipped and design kitchen and a double living room.

The architecture of this villa has been designed down to the last detail, in order to combine elegance and refinement. It is distinguished by its modern lines, beautiful volumes and exceptional finishes. All the equipment in the house is top-of-the-range (air conditioning in each room).

The outdoor area offers a unique relaxing experience thanks to its splendid heated overflow pool and five large terraces, all independent of each other. They are equipped with numerous deckchairs, lounges, fatboys and hammocks. An ideal place to welcome your guests and experience extraordinary moments.

The property is only five minutes from Almyrida and its many beaches and restaurants. In addition, Chania Airport is only 40 minutes away by car.
