In the very popular district of Bonnevoie, the real estate agency Unicorn offers for sale an exceptional house of charm house for sale.

With a living space of about 130 m² with an interior courtyard of 15m², this house from the 1910's shines by its quality details. Whether it is the terrazzo, the high ceiling of 3.30 m, the period moldings, the staircases and solid oak floors, everything is thought to offer an additional cachet.

Entirely renovated, this prestigious property seduces by its layout which offers a contemporary comfort within the house of character. Design kitchen open on the living room with wood stove, bathroom with Italian shower and bathtub on feet, dressing room and library on measure, bedroom or office ideal for telecommuting, everything is thought for your comfort. Our favorite is the sublime master bedroom in the attic of 40m².

The property can be sold partially furnished with very modern Ligne Roset lightnings.
